We can't wait to welcome you to the new and improved Club Med Punta Cana, where a spacious tropical sanctuary awaits in our freshly renovated family rooms. Immerse yourself in the comfort of one of our new Superior and Deluxe family rooms, where you'll experience a profound sense of serenity and leisure. Our expansive two-bedroom suites offer generous spaces for parents and children to unwind together or separately. These rooms perfectly encapsulate the vivacious Caribbean paradise they are nestled within, drawing from the vivid island's greenery, bright pink hues of the flamingos, and all the magnificent shades of the shimmering turquoise waters. Conveniently located in the heart of the resort, families will be in close proximity to all children's programming and facilities to ensure a seamless and effortless experience.

Conveniently located in the heart of the resort, families will be in close proximity to all children's programming and facilities to ensure a seamless and effortless experience.

Not only are the new family rooms impressive in design, they offer functionality with premium amenities. Parents and children have ample space to unwind with two separate bedrooms to fully savor your vacation. In our Deluxe rooms, take advantage of turndown service to transform your space into a calm oasis and enjoy refreshing treats from the mini fridge, fully stocked with soft drinks and juices. Enjoy a cup of coffee or sip a tea on the fully furnished balcony for tranquil moments of gratitude with a magnificent view. The open concept bathrooms with large rain showers unlock true relaxation to leave you feeling rejuvenated and invigorated.

Our new Family rooms blend modernity, function and space to lay the foundation for an exquisite family vacation.

Club Med Punta Cana's main restaurant, Hispaniola, is being revolutionized into a sensory wonderland. As you step into this spectacle, your senses will be awakened with surprises at every turn. The vibrant Dominican-inspired decor is a dazzling sight that gives a welcoming, tropical ambiance perfectly complemented by its ocean backdrop. The aroma of exotic spices will draw you to the international flavors thoughtfully crafted into dishes as delicious as they are diverse. As you savor each bite, your ears will be serenaded by live musical performances. This dynamic scene of delectable all-day dining and uplifting entertainment is refined by Club Med's famous French savoir-faire to holistically impress and delight guests.

The vibrant Dominican-inspired decor is a dazzling sight that gives a welcoming, tropical ambiance perfectly complemented by its ocean backdrop. The aroma of exotic spices will draw you to the international flavors thoughtfully crafted into dishes as delicious as they are diverse. As you savor each bite, your ears will be serenaded by live musical performances. This dynamic scene of delectable all-day dining and uplifting entertainment is refined by Club Med's famous French savoir-faire to holistically impress and delight guests.

Transcending the standard line buffet, this avant-garde dining concept boasts an expansive range of global fare and offers interactive cooking performances to mesmerize guests, creating an unforgettable dining experience. Each of our eleven stations serve as their own experiential destination you will visit on your culinary adventure. Savor the smoky, charred flavors of grilled fish and vegetables from the grill station, beautiful cuts of tender roasted meats from the churrascaria, and bright, fresh bites from the colorful raw bar. Continue your gastronomic journey to the Fromagerie with an eclectic selection of cheeses, the Boulangerie with daily fresh baked bread, and the Patisserie overflowing with sweet indulgences. The wine cellar and beverage corner feature an extensive collection of inclusive and exclusive beverages to top off your exceptional dining experience. For the little ones, the kids buffet offers balanced meals that encourage adventurous eating in an exciting environment. This boundless approach to authentic cuisine will keep your palate intrigued as you explore flavors and textures from around the world.

Award-winning in design, this restaurant is grandiose in its beauty and inclusive for all to enjoy. Families can dine with ease in the dedicated family room thoughtfully furnished with child-friendly seating and an exciting playground that guarantees limitless amusement. Parents can indulge in their meals with confidence, knowing their little ones are entertained and safe. In terms of decor, the three separate dining spaces are attentively decorated to pay homage to the region's famous and vibrant festivals – Festival de Merengue, Carnaval Dominicano, and Festival de las Flores. You will feel embraced in this enriching setting that infuses cultural richness with a sense of community.

New renovations have solidified Club Med Punta Cana as the premier destination for families seeking an unparalleled Caribbean vacation. Our newly renovated family rooms provide a spacious tropical sanctuary for your loved ones to unwind with exceptional amenities. Our main restaurant, Hispaniola, has been reimagined into a cultural and culinary feast for the senses with global cuisine and live entertainment. Your children will be spoiled with our enhanced Children's and Teen's programming, focusing on positive education and experiences that resonate with each age group. While kids are busy making new memories, parents can indulge in the adult-exclusive Zen Oasis with private pool and bar. With our commitment to well-being, comfort, and family, Club Med Punta Cana is the perfect resort to craft an unforgettable¹⁰ vacation in paradise.

New renovations are under way to our family wing and main restaurant to create an authentic reset for your family. Unwind in our spacious and modern family rooms with premium amenities including large rain showers to unlock ultimate rejuvenation. The playful and tropical design keeps you seamlessly connected to the lush island's natural surroundings. Our new restaurant, Hispaniola, will be a hub to savor gourmet cuisines from all over the world while embracing interactive entertainment and live performances.

Our Children's programming, Mini Club Med +, has been thoughtfully enhanced to endorse positive education and empower young minds through engaging activities. Our Teen's Club programming has also been modified to customize experiences for Teens (11-13 years old) and Chill Pass (14-17 years old) with activities including spike ball, pool parties and creative tote decoration. Your children will be enthralled with the activities customized for their unique preferences.

While your kids are engrossed in activities and making new friends, slip away to the adult-exclusive Zen Oasis for a leisurely escape. Sip cocktails without leaving the pool and nap under the sun while your worries drift away. When you have to get up, make sure it's for an appointment for a relaxing massage at our Club Med Spa by L'Occitane, where peace and wellness await.

With our commitment to well-being, comfort, and family, Club Med Punta Cana is the perfect partner to craft an unforgettable vacation in paradise.
