

Exciting *new features* on CMTA!

Discover the latest tools now available on CMTA, specifically designed to enhance your selling experience.

Quick Price Estimation

Easily estimate rates with just a few clicks from the homepage and accessible on mobile.

- **Price calendar:** View the best prices, availability, and occupancy rates.
- **Custom inputs:** Filter through destination, participants, dates, and transport options.
- **Save and propose:** Save estimates as proposals and transition smoothly to the booking engine.

My Clients Module

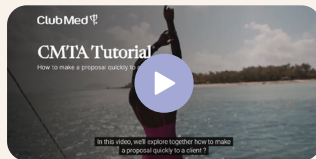

Access client details efficiently.

- **Client list:** View clients with ongoing bookings.
- **Profiles:** Search and access client profiles, including loyalty status, promotions, and bookings.
- **History:** Review past Club Med stays.
- **Booking creation:** Create bookings, options, and proposals for identified clients.
